Career Achievements and Competencies

General Dentist – Smile4Life, Pitești [2023–Present]

Since graduating, Malina has been working as a general dentist in a private dental clinic, where she continues to develop her clinical skills under professional supervision while providing patient-centered dental care. Her current clinical activities include:

- Professional dental hygiene procedures
- Preventive dental care
- Simple restorative treatments (fillings)
- Mobile tooth extractions
- Dental impressions
- Placement of implant-supported prosthetic restorations
- Cementation of crowns and bridges
- Dental radiography
- Clinical photography and documentation
- Treatment planning
- Suturing and post-extraction care
- Patient education and communication

Malina is also experienced in working with modern digital dentistry technologies, including intraoral scanners, digital impression systems, and dental imaging software. She places great importance on precision, proper documentation, and maintaining high clinical standards while continuously expanding her professional competencies.

Preferred Work Environment

Malina thrives in a professional environment that offers:

- A supportive and collaborative dental team
- Opportunities for mentoring and continuous professional development
- Modern equipment and digital dentistry technologies
- Well-structured clinical protocols
- High standards of patient care and quality
- A positive learning culture where she can gradually broaden her clinical expertise

Licenses and Registrations: B2+ Dutch proficiency, BIG registered

Relocation Funding Awareness: The candidate understands and accepts Orange Chapter's terms (e.g., contract length, financial assistance, etc.).

About Dr. Malina D.

Dr. Malina is a motivated young dentist who combines a strong academic foundation with a genuine passion for delivering high-quality patient care. Since beginning her professional career, she has steadily expanded her clinical experience while demonstrating a mature, responsible, and highly professional approach to dentistry.

She is naturally kind, attentive, and patient-centered, creating a calm and reassuring atmosphere for her patients. Colleagues appreciate her meticulous way of working, her strong organizational skills, and her careful attention to detail. Malina approaches every treatment with precision and believes that even small details contribute significantly to successful clinical outcomes and patient satisfaction.

Although she is at the beginning of her professional journey, she has already developed confidence in preventive, restorative, and basic surgical procedures while embracing modern digital workflows and contemporary treatment protocols. She is eager to learn from experienced colleagues and continuously improve both her clinical and interpersonal skills.

Malina is looking for a long-term opportunity in the Netherlands where she can further develop within a structured, high-quality dental environment. She values teamwork, professionalism, and lifelong learning, and is committed to building a successful career based on trust, dedication, and continuous improvement.
