EDUCATION AND PROFESSIONAL EXPERIENCE

Doctor of Dental Medicine

Grigore T. Popa" University of Medicine and Pharmacy, Faculty of Dental Medicine, Iași [2019-2025]

General Dentist [2025- Current]

Career Achievements and Competencies

• General Dentist –

Associate Dentist – Pretty Smile, Iași [June 2025 – March 2026]

During his collaboration with Pretty Smile, Marius gained practical experience in general dentistry within a multidisciplinary clinical environment. His responsibilities included preventive and restorative treatments, routine dental consultations, treatment planning, and close collaboration with colleagues and auxiliary staff to ensure high-quality patient care. His clinical activities include:

- General dental consultations
- Preventive dental treatments
- Restorative procedures
- Treatment planning
- Patient communication and education
- Collaboration within a multidisciplinary dental team
- Coordination of routine clinical cases

Associate Dentist – SmileProdent, Lunca Cetățuii [June 2025 – March 2026]

Alongside his work at Pretty Smile, Marius further expanded his clinical experience in general dentistry, continuing to strengthen his practical skills while providing comprehensive patient care in a private practice environment.

Volunteer – Pretty Smile Clinic, Iași [2023–June 2025]

During his volunteer period, Marius assisted experienced dentists in complex clinical procedures while gradually becoming involved in restorative and endodontic treatments. This experience allowed him to gain a thorough understanding of the daily workflow of a modern dental clinic and further develop his clinical and organizational skills.

His responsibilities included:

- Assisting during complex dental procedures
- Observation and gradual involvement in endodontic treatments
- Restorative dentistry support
- Clinical and administrative assistance
- Understanding complete clinical workflows
- Working within multidisciplinary teams

Dr. Marius C.

Volunteer – Stomalux Clinic, Iași [2021–2023]

At Stomalux Clinic, Marius focused primarily on endodontic procedures under professional supervision, developing his manual skills while strengthening his interest in microscopic and restorative dentistry.

Preferred Work Environment

Marius performs best in an environment that offers:

- A supportive and collaborative dental team
- Opportunities for mentoring and continuous professional development
- Modern equipment and contemporary treatment techniques
- High clinical standards and evidence-based dentistry
- A practice where quality, teamwork, and patient care are equally valued
- Opportunities to further specialize in endodontics

Relocation Funding Awareness: The candidate understands and accepts Orange Chapter's terms (e.g., contract length, financial assistance, etc.).

About Dr. Marius C.

Dr. Marius is a highly motivated young dentist whose exceptional work ethic and genuine passion for dentistry have defined his professional journey from the very beginning. Throughout his education and early career, he actively sought every opportunity to gain practical experience through volunteering, clinical collaborations, and continuous hands-on learning, demonstrating remarkable dedication to becoming the best clinician he can be.

He has developed a particular interest in endodontics and approaches every treatment with patience, precision, and careful attention to detail. Marius believes that outstanding dentistry is built on continuous education, perseverance, and a genuine commitment to providing every patient with the highest standard of care. His determination to keep learning and refining his clinical skills reflects both his ambition and his professionalism.

Colleagues appreciate Marius for his reliability, humility, and exceptionally hardworking nature. He embraces challenges, enjoys working alongside experienced professionals, and values environments where collaboration, knowledge sharing, and continuous improvement are part of everyday practice. His positive attitude, discipline, and willingness to invest in his professional development make him a promising clinician with considerable long-term potential.

Marius is looking forward to continuing his professional career in the Netherlands, where he aims to further develop within a modern and patient-centered healthcare environment. He is motivated to build a long-term future while continuously expanding his clinical knowledge and skills. With his outstanding work ethic, enthusiasm for dentistry, and determination to provide the highest standard of patient care, Marius brings the qualities of a young dentist with exceptional long-term potential.
